November 20, 2021

Dear Link Family:

The Link Church considers the health and well-being of our church community a priority. With that in mind, we are sending this letter for your awareness. We have been alerted that an individual at The Link has been diagnosed with COVID-19. We are following CDC recommendations to ensure that the person diagnosed with COVID-19 follows instructions for isolation and remains away from others until they can safely return. We will also continue to clean and disinfect all areas of the church building.

Any person(s) who has been identified as a [close contact](#) of the individual diagnosed with COVID-19 will be notified of their close contact status directly with a phone call. If you do not receive that communication, you are NOT a [close contact](#) of the individual diagnosed with COVID-19. Therefore, you are not required to quarantine at home or to be tested. However, we do recommend that you continue to monitor your health each day for [symptoms](#). If you develop COVID-19 symptoms, please:

1. *Contact a healthcare provider immediately.*
2. *Follow testing and isolation instructions described here at the [CDC's Guidance for Covid-19 site](#).*
3. *Notify the church immediately, if you test positive for COVID-19 and they participated in church events.*

We also encourage you to visit your local public health or other appropriate sites for additional information for ways to keep our community safe.

We will continue to provide regular updates as needed and will provide prompt notification of any COVID-19 or other health-related concerns that require your attention. We encourage you to contact us with questions and concerns. Please call us at 781-298-7184, email us at info@thelink.church, or visit our website www.thelink.church for updates.

At this time, there is no need for further action, and we will continue with our in-person experiences every Sunday at 10:00 AM. We are committed to facilitating a worship experience that allows each individual to connect to God, while also ensuring the safety of our church family and community.

Sincerely,

Ryne Deckard
The Link Church
